

One Flippin' Frame!

In movie theatres, films are created from multiple frames. Life as we know it comes from just one frame flipping fast enough to include all. This is how we are all one.

One frame!
One frame!
One inside out
One flippin' frame.

Only One
One frame for all our movies
One inside out
One flippin' frame.

Now, now, all is now!
One frame!
One flippin' frame
TIMELESS!

All our movies from one frame
A timeless frame
Everything different
But still the same.

Happening so fast
Our senses reveal
the stories we feel
We believe what seems real.

Lost in our movies
Lost in time
Lost and entwined
In the illusion of time.

One frame!
One frame!
One inside out
One flippin' frame.

When you know the truth behind your movies you will become the director of your own experience - you will command the switch that flips the frame.
