

THE ETERNAL TWIST

“Eternity forbids thee to forget.” - Lord Byron.

ONE is all has no energy.

All as one, we are the resistance that caused ETERNITY to **twist**.

All as one is the first emotion – the first energy.

* The resistance that caused Planck’s quantum is the first energy.

The universe is the secondary result of quantum repetition.

All as one, we are the mastermind.

All as one we remain high and above.

“I will ascend to the heavens; I will raise my throne above the stars of God; I will sit enthroned on the mount of assembly, on the utmost heights of Mount Zaphon. I will ascend above the tops of the clouds; I will make myself like the Most High.” –
Isaiah 14:13-14.

Science and physics are at a loss until they start from the beginning.

"Science cannot solve the ultimate mystery of nature. And that is because, in the last analysis, we ourselves are part of nature and therefore part of the mystery that we are trying to solve." – Max Planck.
